1 Month After Onboarding

- Partner provides a verbal agreement via phone or email.
- The assigned TalentClick account manager will request the Partner's link and send a Partner contract agreement on the same day.
- Within 2 business days the Partner will receive their personal assessment link(s) and portal login details.
- Once TalentClick has received the signed Partner contract agreement the assigned account manager will organize and confirm a date and time for the Partner onboarding session.
- Each Partner will go through an onboarding process to cover Product Knowledge, Portal Access and Sales Training.
- The assigned TalentClick account manager will check in with the Partner approximately a month after the onboarding session to answer any follow-up questions or concerns. Partners can also reach out to clientcare@talentclick.com for any immediate queries and support.
